

I am writing to you to say a big thank you for the grant you have given us for playground equipment for our lovely school.

I feel very privileged to work in such a wonderful place, with such amazing children, so I would want the best free-time possible for them.

This can be difficult at times as equipment gets tired due to over use, and things only last so long!

With your help we can now 'resume play' so everyone gets a chance to learn something new.

I can't tell you how fantastic it is to see a child skip for the first time, or learn how to use a hula hoop and get better each and every time they try. These things help to build resilience, determination and pride in themselves, all of which are priceless life skills.

I have put this booklet together to give you an idea of how I used the money, and how I integrate this into the things I do on a daily basis.

Thank you again from all of us at Denby Free School.
